

**Resort County Park:** **Above** – Lake Cline is annually stocked, and currently holds catfish, trout, and bass, among other types of fish. Pictured is one of the three fishing piers used by park patrons. **Below** – The islands in Lake Cline serve as a habitat for wildlife, including over 70 ducks.

**Resoft County Park:** **Above** – This Park offers basketball/volleyball courts, horseshoe pits, playgrounds, and fishing. **Below** – The David Smith Pavilion is one of the two small pavilions located near the playground area. It accommodates up to twenty visitors.
